

Organic Lady

An elegant vodka martini with fresh floral aromas and a touch of candied orange.

Recipe per drink

- 2 1/2 oz. Square One Organic Vodka
- 1/2 oz. Lillet Blanc
- orange twist

In a chilled martini glass, pour Lillet Blanc and swirl around whole glass to coat surface. In a cocktail shaker filled with crushed ice, pour Square One Organic Vodka and shake for 10 seconds. Strain into martini glass and garnish with an orange twist.

Note: The organic lady is a more aromatic version of a classic martini. A related drink, the Vesper, made with 2 parts gin and 1 part vodka in place of straight vodka, in combination with the Lillet, was made popular again in last summer's Bond film, Casino Royale. We find the Organic Lady to be a more delicate cocktail than the manly Vesper, perfect for the ladies!
