

Ruby Natsumi

Sweet fruit flavors of strawberry and lychee are combined with the earthy flavor of Numi's Ruby Chai tea.

Recipe per drink

- 1 1/2 oz. Square One Organic Vodka infused with Ruby Chai
- 2 ripe strawberries
- 1 oz. Soho Lychee Liqueur
- 1 mint sprig for garnish

In a shaker, muddle the strawberries and top with ice. Add the infused Square One Organic Vodka and Soho Lychee liqueur. Shake vigorously and Hawthorne stain into a cocktail glass. Garnish with mint sprig.

Ruby Chai Infusion

In a wide mouth bottle, add one bag of Numi Organic Ruby Chai tea to each 6 cups of vodka and let sit for 2-3 hours, agitating on the hour. Remove tea bags and squeeze any vodka from them.
